POST CARD

Dear Maria,
I suppose Joe has already told you that I hope to be in London about the 15th. I shall let you know when I get and flight later when I go to London next week. All I ask from you is to help me to meet some students if possible, and to help me to get to London - and of course to see me back right at possible - I shall write to you later -
Get along,
Gus. J.A.
