First of all I want wish to you  
of ~~very good~~ <sup>merry</sup> Christmas and a happy  
New Year, ~~with the Holy Spirit.~~

I think that you ~~don't~~ know me.  
I have read your name in the  
"African Newsletter" last year and ~~there~~  
since then I am very interested in the  
life and problems of university students  
in Africa. In the last Interfederal  
Assembly of Pax Romana, at. Flieli,  
we had some meetings concerning  
the Catholic action in the african  
universities. Unfortunately only two african  
were there; <sup>things that I</sup> it was very difficult to know

stud to study the african problems. I  
~~hope~~ <sup>hope</sup> that in the next year ~~more~~ <sup>much more</sup> african  
students ~~will~~ <sup>will be</sup> in the Interfederal Assembly  
in Great Britain.

 I know that you have organized  
groups of catholic students in  
some universities. They are a great  
number? And they have a great conscience  
of their apostolic work? How do you  
see the university apostolate? How  
~~are~~ <sup>are</sup> the groups organized?

Fundacao Cuidar o Futuro

Excuse me so much questions.

But in the Directing Committee of Pax  
Romana - MIEC I must study the  
apostolic ~~is~~ action in the african  
~~is~~ universities, and, ~~if possible~~, can you  
help me on this task?

~~I hope your letter~~ I should like  
very much to have the name and address  
of a university <sup>catholic</sup> woman, if possible, a  
~~student~~ <sup>part</sup> of a ~~student~~ group. <sup>because in the</sup> I have  
also the <sup>problems.</sup> Yours ~~with~~ <sup>sincerely</sup> in Christ

~~the~~ I write in French & to  
the English is very difficult
