My dear Maria, We were delighted to receive your article yesterday. Express mail, it only took two days to come. It is quite on time, thankyou so much. We've got time to translate before English texts go for composition in a week's time...Yes, indeed, we'd like another article - if you can find time for it. Journal 4(English) goes to printers on July 16th, so we would need your text about 8th. Hope you got French 2. I've sent you 6 more of French 1. Sorry I can't spare more; we're almost out of them. How is your health? and what are you doing? Unfortunately I shan't be in Lisbon for the Assembly: Thom's taking me to Tiouliline, my last PR meeting for some time! Love and God Bless, Bridaine.

Toto.

PS: Thom is mad about his little daughter. Marriage has had a wonderful effect on him!
