Recognizing the need to take further effective measures with a view to the suppression and punishment of the crime of apartheid,

Recognizing that the conclusion of a Convention on the suppression and punishment of the crime of apartheid under the auspices of the United Nations would be an important contribution to the struggle against apartheid, racism, economic exploitation, colonial domination and foreign occupation,

Considering that there has been no opportunity at this session of the General Assembly to consider fully the draft Convention contained in document A/C.3/L.1871,

1. Invites the Secretary-General to transmit the draft Convention on the suppression and punishment of the crime of apartheid, together with the relevant records of the discussion, to the Commission on Human Rights;

2. Recommends that the Commission on Human Rights and the Economic and Social Council should consider this item as a matter of priority at their twenty-eighth and fifty-second sessions respectively and should submit the draft text of a Convention on the suppression and punishment of the crime of apartheid to the General Assembly at its twenty-seventh session.
