TO THE MEMBERS OF THE WOMEN'S ECUMENICAL LIAISON GROUP
and OBSERVERS AT THE FOURTH MEETING

Dear Friends,

Time is rapidly approaching for our fourth meeting of the WEIG, at Cartigny, 25th-29th October. I hope very much that, apart from one or two members who have regretfully intimated their absence, most of you will be able to attend this important meeting.

You will find enclosed our proposed Agenda, the Minutes of the Sub-Committee on Peace, meeting with SODEPAX in Vienna last June, and an article by our co-chairman, Dr. Bührig, entitled "Discrimination against Women", which will be the subject of our discussion at Cartigny on Wednesday, 27th October.

Members of the Sub-Committee on Peace will have a meeting with SODEPAX on the morning of the 25th. Fundação Guadalupe would like to suggest that members not attending this meeting arrive at the Ecumenical Centre on Monday not later than 2.30 p.m. (or before 1.30 p.m. if you care to have lunch at the cafeteria). Then Ellen Bogle will arrange for you to travel down to Cartigny in a special bus leaving the Centre at 3.00 p.m. punctually. Would you kindly let her know your time of arrival as soon as possible, please. As you know, a taxi from the airport brings you to the Centre inside fifteen minutes.

When you read this letter, I shall be directing our Women's Leadership Training Seminar in Monrovia, Liberia, and I shall look forward to the pleasure of seeing you all at Cartigny soon.

With all best wishes,

Yours sincerely,

Brigalia Bam
