LE GRAAL - Secrétariat International
22, rue du Dr. Germain-Sée
Paris (XVIème)

Dear Maria,

Many thanks for your letter of June 17th enclosing a copy of Madeleine's draft, with the sentences underlined where you would like amendments or expansions. I hope that Marga will be sending her new draft before long.

With regard to your request, I am sending you under separate cover a copy each of the following (in French, but they are also in English if you wish to have them):

BAROT, Madeleine, "Coopération entre Hommes et Femmes dans l'Eglise, la Famille et la Société"

C.O.E. "De l'Ordination des Femmes"

C.E.T.A. et C.O.E. "Les Femmes chrétiennes d'Afrique assument leur part de responsabilité"

C.E.T.A. et C.O.E. "Le Foyer chrétien et la vie de famille"

I am asking our Publications Office to post you the bill for these, and also to send you a recent list of WCC publications for your information.

In addition, I would recommend that you try to get a copy of Francine Dumas' "L'autre semblable - hommes et femmes", at Delachaux et Niestlé, 32 rue de Grenelle, Paris 7e, a booklet which was written for our Department especially for the Church and Society Conference in 1966. This is also available here in an English translation if you desire it.

I regret not having more to send you from our Department. As soon as we publish something new I will inform you.

It was good to have you here with us the other day!

With all best wishes,

Yours,

Brigalia Bam
