

A vibrant, stylized illustration. At the top, a large rainbow with yellow, orange, and red bands arches across the sky. Below it, a large white five-pointed star is set against a bright yellow background. This scene is framed by a dark, textured stone archway. In the foreground, on a reddish-brown tiled floor, sits a large gift box wrapped in brown and white diagonal stripes, tied with a large red ribbon. To its left is a tall, thin red gift box, also with a red ribbon. To the right of the striped box is a small, round, white character with large eyes and a blue and red striped body. The overall style is painterly and optimistic.
