Y. W. Fong, M.B.E.

Dear Your Excellency DR Pintasilgo  
Prime Minister

July 27, 1979

Learning from the newspapers that you were elected  
as Prime Minister and this is the first Lady Prime  
Minister in the history of Portugal and the second  
Lady Prime Minister in Europe, may I extend  
my heartfelt congratulations & best wishes to you.

For your information, I have been corresponding  
with H. E. President Ganes for several years and  
with the former Prime Ministers.

Nowaday, the politicians need imagination,  
new ideas, thought, technology, logical futurology,  
suggestions, advice, ..... submitted by you people  
& friends to meet the challenge of the changing  
world.

Kind hearts are the gardens; kind thoughts  
are the rock; kind words are the flowers, kind  
deeds are the fruits, kind people enjoy longevity  
& health.

With kind regards & best wishes

Sincerely yours

Y. W. Fong

A faithful friend
