To Mrs Maria de Lurdes Pautasclso
President of Portugal
Amsterdam 12-8-79

Dear Mrs Pautasclso.

I much appreciate that you are chosen
as President of Portugal (a female one yes!)
I much say I appreciate you more than
Mrs. No. 1 atcher who is prime - minister of
England. They say (mumble!) open if she is
smiling. Fundação Cuidar o Futuro an I don
know. Well, you are what all looking
like that you are a warm personality.
My neighbour on the third floor is a Portuguese
woman married with a Greek - Slav and they
have a nice girl of nearly 3 years old she is
working as a nurse. A very good marriage
I'll include heartily in Dutch / unpronounce
nearly to translate in English let alone in Portuguese
I can't possess. But perhaps somebody will
be here who heard and understand Dutch.
At any rate you will see the nice photographs

When the headline was in a very well-
known Dutch newspaper
I was in much luck and that Portugal
will be still or coming a very prosperous
healthy country. Who I am? Only a little
Dutch.
