Dear Madam Prime Minister:

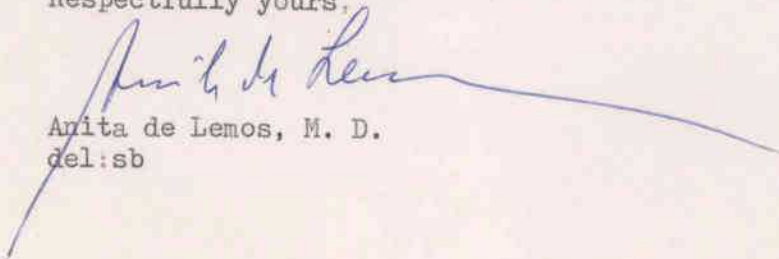

My congratulation to you as Portugal Prime Minister. I always have great admiration for women able to achieve a great deal by themselves in life.

I will be in Lisbon, Hotel Ritz, a few days about September 14 to September 17 and ask for the privilege to be received by your honor, to shake hands as woman to woman. I will call your office and find out about the day and hour of audience possible.

Thank you in advance for the courtesy.

Respectfully yours,

Anita de Lemos, M. D.
