Cambridge, Massachusetts 02139  
U S A

Answering your letter of the 31st October we call your attention to these facts:

1. In Portugal the law that forbides abortion can not be changed by a Government without the opinion of the Parliament ant the Parliament is, now, closed.
2. The Tribunals are in Portugal, as all over the world, independent of the Government.
3. Conceição Massano was judged and considered not guilty.

Yours

The Assistant

*G. Vasconcelos*
