Miss MARIÁ de LOURDES PINTASILGO
PRIME MINISTER FOR PORTUGAL
A DUDA PALACE
LISBON, PORTUGAL,

I trust that you will make a study of my enclosed ECONOMIC CYCLE chart which shows the relationship of Trade Unions in my concept of Four Dimensional Government.

a room has 3 dimensions: - length, width and height.

But a National Government of a country deals with 4 Dimensions: Family Compact (Trade Unions, municipal, Provincial and Federal Government, any one of the small wheels can stop any one of the 4 big wheels, two of the big wheels deal with hand-work, and the other 2 require mental application.

Hoping to hear from you, I am,

Respectfully

ROOM-14 LEONARD KRUEGER
580 SPENCE ST.
WINNIPEG, MANITOBA
CANADA, R3B 2S1

P.S. I room in the home with Portuguese immigrants L.K.
