Dear Prime Minister of Portugal
Maria de Lurdes Pintassilgo

Happy to have read in our paper that you were elected Prime Minister. We are so happy for you. It is wonderful to join in with Prime Minister Margaret Thatcher. I know we will make your country happy. President Antonio Eanes has made a wise decision. We have enrolled you in the Marianist Mission's Alliance for 1 yr. I hope & pray Our Dear Lord & His Immaculate Conception will always be at your side.

We hope & pray that you will rec. our card & little note once again.
