Maria da Lourdes Pintassilgo
Prime Minister of Portugal
Bento Palace, Lisbon, Portugal

Dear Madam Prime Minister:

I wish to again thank you for the marvelous opportunity afforded me when our group of visiting Californians and Hawaiians were received by you in October.

The warmth of your welcome and the sincerity with which you spoke to us greatly impressed all of us. With political leaders such as you, the Portuguese people have no reason to fear for the future.

Thank you again very much.

Fundação Cuidar o Futuro

Yours truly,

William Silveira, Jr.
