Dear Mrs. de Lurdes Pintasilgo,

A national Dutch newspaper carried this week a very interesting article about the Grail-Movement and mentioned your influence in this.

As your movement has religious interests I wondered if you might be interested in my book HER NAME IS WOMAN, Book 1 about women in the Bible. Among other foreign translations this recently came out in Portuguese. I take the liberty to send this to you by separate mailing. HER NAME IS WOMAN, Book 2 will be off the press soon. I would call it a tremendous privilege as many women in your country might be challenged and encouraged by these women of old.

Yours sincerely,
