Dear Pintassilgo:

Sincere and Christian greetings
to you and your family.

We all at the BHB in Free China
dearly love you all so much in Jesus that we
warmly welcome you all to be the lovers of our
recently invented and prepared Instant Cheng
Tea which is the best drink in our century.

Our Tea can cure and resist at
least 90% of human physical troubles and disease
-s included cancers effectively.

We all do believe that cancers
come from dirty bowels, stomach and BAD drinks.
If the people start using our Tea daily instead
of BAD drinks, there will be no any cancers at
all showed up in this world.

We charge VIPs worldwide the same
price for our Tea; that is to say, only US\$60.
* for 5 jar of our Tea, which is 300 Gs.

Please read our cards enclosed.
If you are interested in tasting our Tea, please
let us know. Our Tea is DIFFERENT from all the
teas you can find from world market and we don't
sell out our Tea that way.

God bless you all is our prayer.

Sincerely Yours,

E. Yao
