Prime Minister Maria de Lourdes Pintasilgo,  
Lisboa,  
Portugal

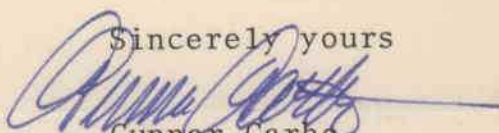

Dear friend,

I was delighted to hear that you became your country's Prime Minister. That was a very good choice, and somehow it enhances even the prestige of your former colleagues of the Executive Board!

A journalist of the Norwegian News Agency, Aase Prøitz Narum, is arriving in Lisboa 18 - 20 November in order to cover the general election. Mrs. Narum has asked me to recommend her to you. I hope that you might have time to grant her an interview during her stay.

With all good wishes,

Sincerely yours

  
Gunnar Garbo
