Maria De Lurdes Pintasilgo
Prime Minister
Portugal

Your Excellency:

Allow me to express my personal delight that you have been nominated Prime Minister of Portugal. I wish you lots of success in your most prominent position.

We have been advised through our UNESCO representative, that the Director General of your Energy Ministry, wishes to arrange a professional visit to Israel. I remember our conversation in Belgrade on Solar Energy, and we will be delighted to welcome your representative here, at your convenience.

Cordially yours,

Y. Moday
