

Socialismo/capitalismo

- danger to see it cap. the best solution
reflecting the positive from socialism

⇒ English as the only language: has
opened a door to the presence of
USA in all meetings,

lopping the French as language
connected

- linked to code of languages

- to close it primary school (Bavaria)
other languages

Fundação Cuidar o Futuro

migrants: second generation knowing the dialect

younger generations: more exchange

social/scap it. $\neq$ culture
↳ another culture?

Future

- change only possible if $\neq$ change the structures $\rightarrow \neq$ way of looking at things

culture of care + responsibility

- $\neq$ in Europe: peace

futuro do G: $\rightarrow$ como partilhar coisas concretas

$\rightarrow$ France / Italia: falta de comunicação

$\rightarrow$ level of language
 $\downarrow$ contribuições do Sul da Europa

(unity/diversity)

not homogeneous

- to pass on our own cultures
- "nationalities" are juridical categories, cut you off,

- $\neq$ must get together all over Europe
- how to

local / national / ~~the~~ european / global
