

Remarks of the english- and german speaking participants of the Seminar on "Cooperation of Men and Women in Church and Society", on the questions 3 and 4 of the Questionnaire (october 1968).

---

- Question 3: What do you consider should be the focus of our exchange in this Seminar?
- 1) anthropological questions (understanding of the relation and definition of the sexes);
  - 2) sociological survey (questions concerning the image and role of woman in a changing society, etc.)
  - 3) theological insights.

Answers:

- |  |   |
|--|---|
| - C.van Asch van Wijck                 | - anthropological questions and theological insights                          |
