Phillips can provide a two-person system free, but translator would cost f.200 each a day.

It was decided that the "whispering" system would be the most workable. Mev. Govaart-Halkes said that St. W. Society would provide one quarter of the amount of f.1000. Participants would be informed of this arrangement and be asked to contribute f.40 towards the cost. Trees would go ahead with arrangements for the installation.
