

Paris, January 30, 1969

Querida Maria,

Since there is an envelope going to you, just a little quick note in it. Eileen gave me a note, asking to let you know that Father Georges TAVARD has published (or is publishing) a book on woman. We don't know the title, nor any further details - Emilia Charbonneau thought it would be published in 1969. Would Fr. Tavard be someone to invite for the Seminar??

No further news at the moment. See till next time!!

MUCH love, also to all around you,

Janette
