Dear Maria,

Trees has asked me to send her the reports for the french contacts of the Seminar. Today I sent her :

- 7 copies for those persons who were present at the Seminar (who paid)
- 5 copies for those persons who did not attend, but who had the intention to come. Of these persons I enclose a list on which you will find their addresses too.

Now that I looked again through various lists which were made up before or during the Seminar, I saw still two names which appeared on the final list of participants: Mme M.Salaş and Mr/Mrs Masima. They are not mentioned on the list on page 9I of the report, just a plain error. I am sorry, but even a report composed with much care has its missings.

About Thierry Maertens I was not sure, the same for Gihoul en Soullard, but I remembered that you mentioned them and had hoped they would attend.

Then I have sent 15 extra copies to distribute. This makes 20 copies for which I have to enclose (under separate cover) an account on the basis of the original calculation : f.7.50 (D.G.) per copy.

I have sent you an extra copy for Eileen and one for the secretariate.

It took a much longer time than I had hoped to finish the report, partly because for about 4 months we had no second secretary. But especially it was a tremendous work to get the text in three languages as accurate as possible and to arrange it in good order. I hope that you are as happy as I am with the result of this "hand-brain-made-work"

Dear Maria, best wishes for you personally and for your work (even in politics !). How is your health? Greetings to all and love from

Akhe van Dam
