Herewith we are sending you an invitation to participate in a Seminar on "Cooperation of men and women in Church and Society".

Your name was suggested to us by some people whom we had contacted earlier. We are sending you the papers re. the seminar (letter of invitation, ^(1702/1969) draftprogramme, questionnaire) together with the second letter which we sent to the persons who accepted our invitation. (Jan. 5, 1969)

With the help of their comments we were able to fix a date (provisional), the duration of the seminar (4 days) and the overall theme.

Concerning the theme, we enclose a survey of the received answers on the questions 3 and 4 of the questionnaire. We would appreciate also your suggestions and answers. Could you let us have your comments by January 20, 1969.

Would you be so kind to send your reply to the following address: Luybenstraat 17, 's Hertogenbosch, the Netherlands.

On behalf of Drs. Tine Govaart-Halkes and Maria de Lourdes Pintasilgo,

yours sincerely,

Miss Akke van Dam,
