WOMEN'S RALLY ON FOUNTAIN SQUARE
WED. AUG. 26 NOON - 2 PM
COMMEMORATING 50TH ANNIVERSARY OF
WOMEN GETTING THE VOTE!

WHAT HAVE WE DONE WITH IT ???

On August 26, 1920, women won the right to vote. On August 26, 1970, women are still waiting for equal rights as citizens, as workers, as persons.

August 26 is Strike Day for women's rights. Now is the time to put your vote into effect. Women are discriminated against economically, educationally, socially and legally. Let's stop being second class citizens and do something about it! You can learn more about the status of women by coming to the rally and hearing a number of prominent persons in our community discussing the many problems women and men face because of this discrimination.

Some other things you can do on August 26:

1. Call or write your State Senators and Representatives telling them to work to get the Equal Rights Amendment (26th) to the Constitution ratified in your state.
2. Demand equal pay for equal work--get other employees with you.
3. Write the presidents of the companies whose ads are so insulting to women.
4. Are career counsellors squelching the aspirations of your daughters? Complain to the high school principal or college president.
5. Demonstrate your economic power. Don't buy anything on Aug. 26.
6. Tell your newspapers to stop sex-segregated help wanted ads.
7. Demand to be seated in the "men only" sections in Pogue's, Mabley's and McAlpin's lunchrooms.
8. Tell your political parties you want qualified women to run for office.
9. Picket the Playboy Club.
10. Talk to your daughters and granddaughters about their career goals. Ask them what they want to be and encourage them to aim high.
11. Demand quality child care centers. Ohio has \$5 million for child care. Write Rep. Kenneth Creasey, State House, Columbus, Ohio.

AUG. 26 IS THE DAY FOR ACTION! USE YOUR POWER! GET WOMEN TOGETHER!
