Dear Mrs. Pintasilgo,

Thank you for your card and Christmas message. I would be delighted if 1982 brought with it the possibility of your spending some time at Harvard. Bear in mind that we are very interested. I would only ask that you keep us informed of your plans so that we can know as far in advance as possible and be sure there is space at the time you are available.

1981 was a troubled year (not particularly for me but for the world), and I fear that 1982 probably will not be much better. Still, we wait and work and pray, and somehow seem to muddle through.

I send you warm good wishes and look forward to hearing about your plans as soon as they develop a little further.

Sincerely yours,

Benjamin H. Brown
