Dear Professor Rogers,

It was a pleasure to meet you and your wife and to learn from you the results of your research about Azores. I was very struck by your knowledge as well as by your contagious enthusiasm.

I want to thank you too for the opportunity to meet your students at Harvard. I hope that they got a picture of the complexity of the Portuguese background.

Fundação Cuidar o Futuro  
Hoping to see you in the future and to meet you whenever you will come to this country,

I remain yours sincerely
