Dear Ms. Pintasilgo:

Our close associates Saul Mendlovitz and William Irwin  
Thompson speak very highly of your work and vision.  
We feel, therefore, that you may like to know about  
the Planetary Initiative for the World We Choose.

After reviewing it, we hope that you will agree to  
join with some of your colleagues as an Endorser of  
this global intergroup effort aimed at transformation.

Very Sincerely Yours,
