Dear Maria de Lourdes Pintasilgo:

Before leaving Copenhagen, I do want to say, both personally and on behalf of the Planning Committee, how much we have appreciated your contribution to the Forum, both as a panelist and a resource person. We feel that you and the other panelists have given many women new insights and understanding and helped to strengthen their commitment to the continuing struggle to realize the goals of the World Plan of Action.

We are sorry that communication has been so difficult, and that, therefore, we have not seen as much of you as we would have wished.

The list of participants in the Forum, and the records of this meeting, brief as they are, are going to be passed on to the International Women's Tribune Centre in New York (address below).

We know there are groups that hope to be able to use some of this information to strengthen networks and continue some of the work begun here at the Forum.

With gratitude and best wishes,

Sincerely yours,

EP/ca
