Dear Dr. Nicol,

Thank you so much for your letter Feb.3th. I do regret that there are no tapes fo the Opening Plenary of the UNITAR seminar. I was sure that listening to what I said then, facing the extraordinary women you where so apt in gathering together, would have enriched my notes. As things stand I only have my notes...

Enclosed you will find the text of my paper which deals particularly with questions 1, 2, 4, 6, 7 of chapter II, "Creative Women in Political change". I don't consider necessary to mention the questions.

Please, would you be so kind as to convey my best regards to your wife as well as to your collaborators.

Hoping to collaborate with you in the future, I send you my best greetings.
