Dear Dr. Pintasilgo:

At the time of the Third Assembly of the World Conference on Religion and Peace, you showed your interest in our work and your continued support of it by sending a message to the participants. Your message was read to the Assembly during a plenary session and was a true source of encouragement for us.

Enclosed is a copy of the "Findings" of WCRP III, which are the result of the work of the commissions and seminars. The full proceedings, which will include your message, will be published in the late Spring. The "Findings," however, represent the work of the participants, and indicate those points which must now be translated into concrete collaborative efforts on the national and local level.

With renewed thanks, I remain,

Yours sincerely,

Sr. Marjorie Keenan RSCM
