RE. : CONFERENCIA

Fundação Cuidar o Futuro

Querida Graça.

Aquí esta la lista completa de los miembros portugueses de la plataforma, los que van en negrita son los que las organizaciones quieren invitar expresamente.

Desafortunadamente hasta el momento solo 8 nos han hecho llegar los nombres específicos de sus representantes, así es que el resto lo tendremos que tomar de la lista que enviaron previamente.

La IPPF quiere que la APF les represente en la conferencia porque ellos no pueden mandar a nadie de aquí.

Te incluyo también el draf programme. Todavía no hemos introducido el cambio que tu sugeriste con M. Pintasilgo, pero lo discutiremos hoy para ver si podemos poner de chair a otra persona de froma que no sae demasiado cansado para ella.

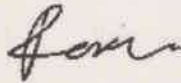

Tienes ya alguna noticia sobre la asistencia de Sampaio y de Pintasilgo?, Sandrine me dijo que tu ibas a contactar con ellos.

Acerca de el numero de invitados, todavía podemos invitar alrededor de 50-60 personas de Lisboa, teniendo en cuenta que hay que pagar sus comidas, esto seria con miembros portugueses da la plataforma y otras ONGs

Por cierto he visto que los socialistas han ganado als elecciones de ayer, quizás esto puede ayudarnos para conseguir que el ministro de trabajo y asuntos socuales este presente, que piensas tu ?

Un abrazo
