**Assunto:** Conference again

---

Dear Ms Brunel,

I am afraid for bothering you again but I would like to know if you heard some news from Mrs Pintasilgo concerning her assistance to the Conference in Lisbon.

Maybe she would like to know that Baroness Shirley Willians has expressed much interest in assisting since she knows taht Ms Pintasilgo has been invited as well.

I will be home, in Spain till Tuesday, but maybe you could sen me an e-mail.

Have a nice weekend.
