Dear Mrs Kan,

Mrs Pintasilgo, who is intending to participate to the dinner hosted by the French authorities tomorrow at 19.00 hours at Hotel Raphaël, would like to know whether this is going to be a working dinner preparatory to, and opening, the meeting or whether it is an official dinner only.

Mrs Pintasilgo also wants to inform you that, due to the fact that she had to delay her departure from Lisbon on 19 January in order to fulfill a commitment she had there in the morning, she might arrive a bit after 7.00 pm at Hotel Raphaël.

Sincerely yours,

Françoise Brunel
