

"European integration" as a response to globalization (Comm.)

economic/social/political situation
at this moment

indicators (life-expectancy, child
mortality)

?? - "among the most participative in the world"

- 16.10% unemployed

- (meaning of exclusion)

- institutional arrangements have not $\leftrightarrow$ to expectation
of people

- how are we resp.

- EMU: coordination of econ. policies

• can support competition in global market

• full employ/ : > people can work
diversity of

Supported by:

The European Commission

The Portuguese Presidency
of the European Union

Fundação Cuidar o Futuro

Organised by:

Bernard Brunhes Consultants

— ≠ $\begin{cases} \text{income} \\ \text{age} \\ \text{gender} \end{cases}$

— "the future belongs to those who invest in capital"

— to bring rights + citizenship into the modernization process

— new phase

— new econ. policies

to prevent : — innovation (!)
— exclusion

— E. social model is a part of common heritage

— to modernize

— to promote relevance to wider world

- société d'inf. — à partir des personnes des entreprises } deux techn.

- société d'apprentissage — valoriser les endroits où l'on peut apprendre

• *educational revolution:*

- recherche — espace commun europ. de recherche

• *Manhattan project*

- rôle de l'informaticien

- modèle soc. eur. — coh. soc.
créer + d'emplois

• *employment/work/activity*

- durabilité pour l'Etat-providence:

Fundação Cuidar o Futuro

- polit. macro-écon.: les politiques ---

- modèle collectif — méthode politique:

- non seulement les contenus
- mais aussi la méthode

} gouvernance

↓
coordonner entre # pol.
" # Etats

- stimuler tous les acteurs de la société civile

(des nouveaux participants)

(17/5/2020)

questionar as opções da presidência portuguesa

- reflexão à long-term:

- les directions possibles pour le modèle de dev. e.

le contexte { gl, change/techn

- le modèle soc, env. n'est pas soutenable

- le pouvoir - l'élite / le + Rfortent

celui q va à le sens de l'exclusion

↓
cohesion sociale vs. diversité culturelle

- adopter un nouveau but (changer le long-term)

- innover - méthodes
gouvernance

- identité européenne et économie globalisée

Castells — Knowledge productivity: essential

Globalized — financial
— inter-connected market
— transnational production + management

Networks — connection between — ^{corp.} within
— 4 sectors

• Internet is the material infrastructure for new econ

• Profits count
but what determines the investment are the stocks

Fundação Cuidar o Futuro ^{become the} _{currency}

• Expansion of new econ is faster in E. > USA

• New frontier: mobile internet

• new econ will take place → how do we respond?
it does not have to be a single model

- entreprises
- synd.
- acad.
- polit.

et les autres acteurs de la société civile?

traiter en m^m t^p les 2 faces écon. et sociale

innovation

- facteur de croissance
- facteur social
- facteur environnemental
(pollution qui ne peut jamais être payé)

• Connaissance : ne va-t-on pas créer de nouveaux risques?

- d'autres instances européennes
où l'on ne fait pas d'exercice européen

Social Quality Foundation
Fundação Cuidar o Futuro

Lundvall

- not enough to combine & protocols

best

to think new policies
+ integrate them

- ① - Eur. framework for learning
- More permanent institutions
- ② - Firms with learning org. become more stable, higher productivity
• trade-unions industrial > value of trade-unions
- ③ - systemic character ^{building networks}
↓ to understand
- ④ - discussion about social capital
∴ social cohesion leads to growth

Fundação Cuidar o Futuro

Stauer

new econ: search for new models in all fields

(invest/ in USA)

Summit: Key priorities

- educational skills
- e.g. PC computers free

Belmiro: not a recipe for every sector

flexibility: 50/60 h
for every type of employee

(B) The systemic, networking approach doesn't free us from ~~discovering~~ ~~the~~ establishing the priorities
(in system science these are knots of the networks)

Lindley

② How does the new econ. change the terms of employ?

- holistic approach to policy

- should be more ~~more~~ conducive to better organization

- location of centers of life-long training

④ State-aid for life-long ed + tr. ??

5 innovations: to address the question of measuring the impact

Freyssinet

① flexibilité $\leftrightarrow$ sécurité
↓
compétences des trajectoires professionnelles

• newec $\leftrightarrow$ fondation d'inégalité

↓
exclure une définition

sans accepter la marginalisation

• mod. soc. eur. : marchande

+ négociation de conflits $\rightarrow$ production de régulation
par des négot.

↓ flexibilité
a) qualifiants transférables $\neq$ qualif. spécifiques

↓
mobilité venant de l'extérieur

↓
la firme

b) marché est-il capable de répondre au long-temps

c) le marché ne cherche pas les externalités
au centre de la newec, il y a des

d) marché comme amplificateur

- faire-en-compte des marchés

À quels sont les problèmes q doit résoudre la coop.?

- normes (homogénéité et portabilité)

(passer de normes de contenu → normes de processus)

- les acteurs sociaux sont-ils prêts à engager?

- nouvelle, donne des chances aux free-riders

Fundação Cuidar o Futuro

Colins

• methodology: partnership between business and public sectors

- new ways of assessing goal

assessment of competency

Proença: gestão europeia dos efectivos

Lenoir: modèles de calcul de la compétitivité écon. et soc.

Fundação Cuidar o Futuro

- Pick - contents of the Charter (Germany)
- experts had to use the Eur. Convention (51)
 - should refer to powers of EU
+ not to expand them

Rights of freedom + equality

Basic constitutional rights (Court protection)

Rights that only apply to EU individuals

New challenges: environ/

new technologies

Everybody should have the same right to training

Anchored in the Treaty

Banos Noua

Natureza e eficácia da Carta:

(maior) deve ter força jurídica vinculativa
e força institucional

Processo elaboração da Carta:

uma Fundação de Cuidar o Futuro

2 MEP / ^{cada} Estado-m.

1 MP / cada "

1 repr. Governos

Todos os E-m. ... ^{pactos} _{Com. Eur.}

- responder à mundialização

Qual é o âmbito da Carta?

(Greek) - privacy rights

new forms of employ/ - new social model

which will enshrine social rights

Lenoir - fonder / base de la citoyenneté → pour les citoyens adhérent

- nature politique

- volonté politique

- aadhua / d'Etat de droit d l'EU et d les pays d l'est

- il faut par la dire : modèle européen social
nouvelles technologies, genres

- Since Adam, EU has transcended the logic of Common Market

- fundamental rights $\leftrightarrow$ social model

- non-discriminatory rules: not out of the Market

- in being as a subject in relation to rights

- the role of the State: not a contemplative State (German Constitution)

- the State has a duty to intervene

- society has a duty to active discriminations:

- eg elder people

- society has restricted the risks of work

↓ (What the importance of State?)

not on the basis of cultural traditions

$\therefore$ life-long learning to become a social right

- not a charter which will be only a manifesto
doesn't lead to a social identity

Fundação Cuidar o Futuro

o novo paradigma de econ e de sociedade
Europa face a isto
deficit europeu

↓ forças civilizadoras

a minha soc. pode ser competitiva a prazo
se não for coisa

necessidade de incorporar as novas
capital de risco

→ aceitar: o + grave problema de E. é o deficit politico

o grupo por preparar é a classe politica

→ não existe na E. um espaço politico europeu

não há intercomum. entre soc. pol. e soc. civil europeus

... não é fácil fazer

① para frente: Europa federal: não há condições p. isso

② entre + vale deixar qd o directorio de gdos países ficione

há + trabalho em qd os gdos países pensam cada um a sua
maneira

- princípios e valores de qd dos Estados

③ + modestos e + determinadores:

cinzeira de l. : ser possível qd se do tv-e de:

— capacidade estratégica
— de coordenar as aif

Quais são os vectores?

método aberto de coordenação

baseados em boas práticas dos Estados

definir policy-mixes + favoráveis

- A importância de coordenar a educação

- novo equilíbrio $\left\{ \begin{array}{l} \text{fax} \\ \text{edu} \end{array} \right\}$ parceiros sociais $\left\{ \begin{array}{l} \text{iniciativa educ} \\ \text{novas formas reg. do trabalho} \end{array} \right\}$

- projeto social = sustentabilidade no futuro: $\left\{ \begin{array}{l} \text{activos} \\ \text{inactivos} \end{array} \right\}$

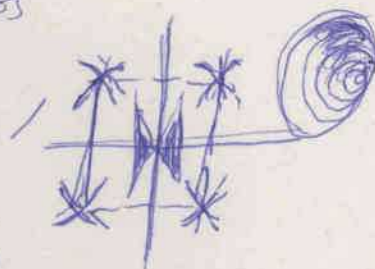

↓ pobreza

exclusão → trazer f. a linha da soc. eur.

↓ acentuada pela soc. inf. e pela nova econ.

grupos sociais q tendem p. a exclusão

- atitude virada p. consenso em face de 1 novo paradigma

Fundação Cuidar o Futuro

paying homage to a
tremendous capacity of innovation + dynamism

a) ~~but~~ I still have to ask
social costs about the social costs

(I)

throughout in E.

signal of professional & between 25/40
who are also supposed to carry on
family responsibilities
consequences for
(one program of DBT in E. Com.)

b) Knowledge can we think about a concept + practice
of work

which encompasses
traditional employment /
Fundação Cuidar o Futuro

NL — social dimension of econ.

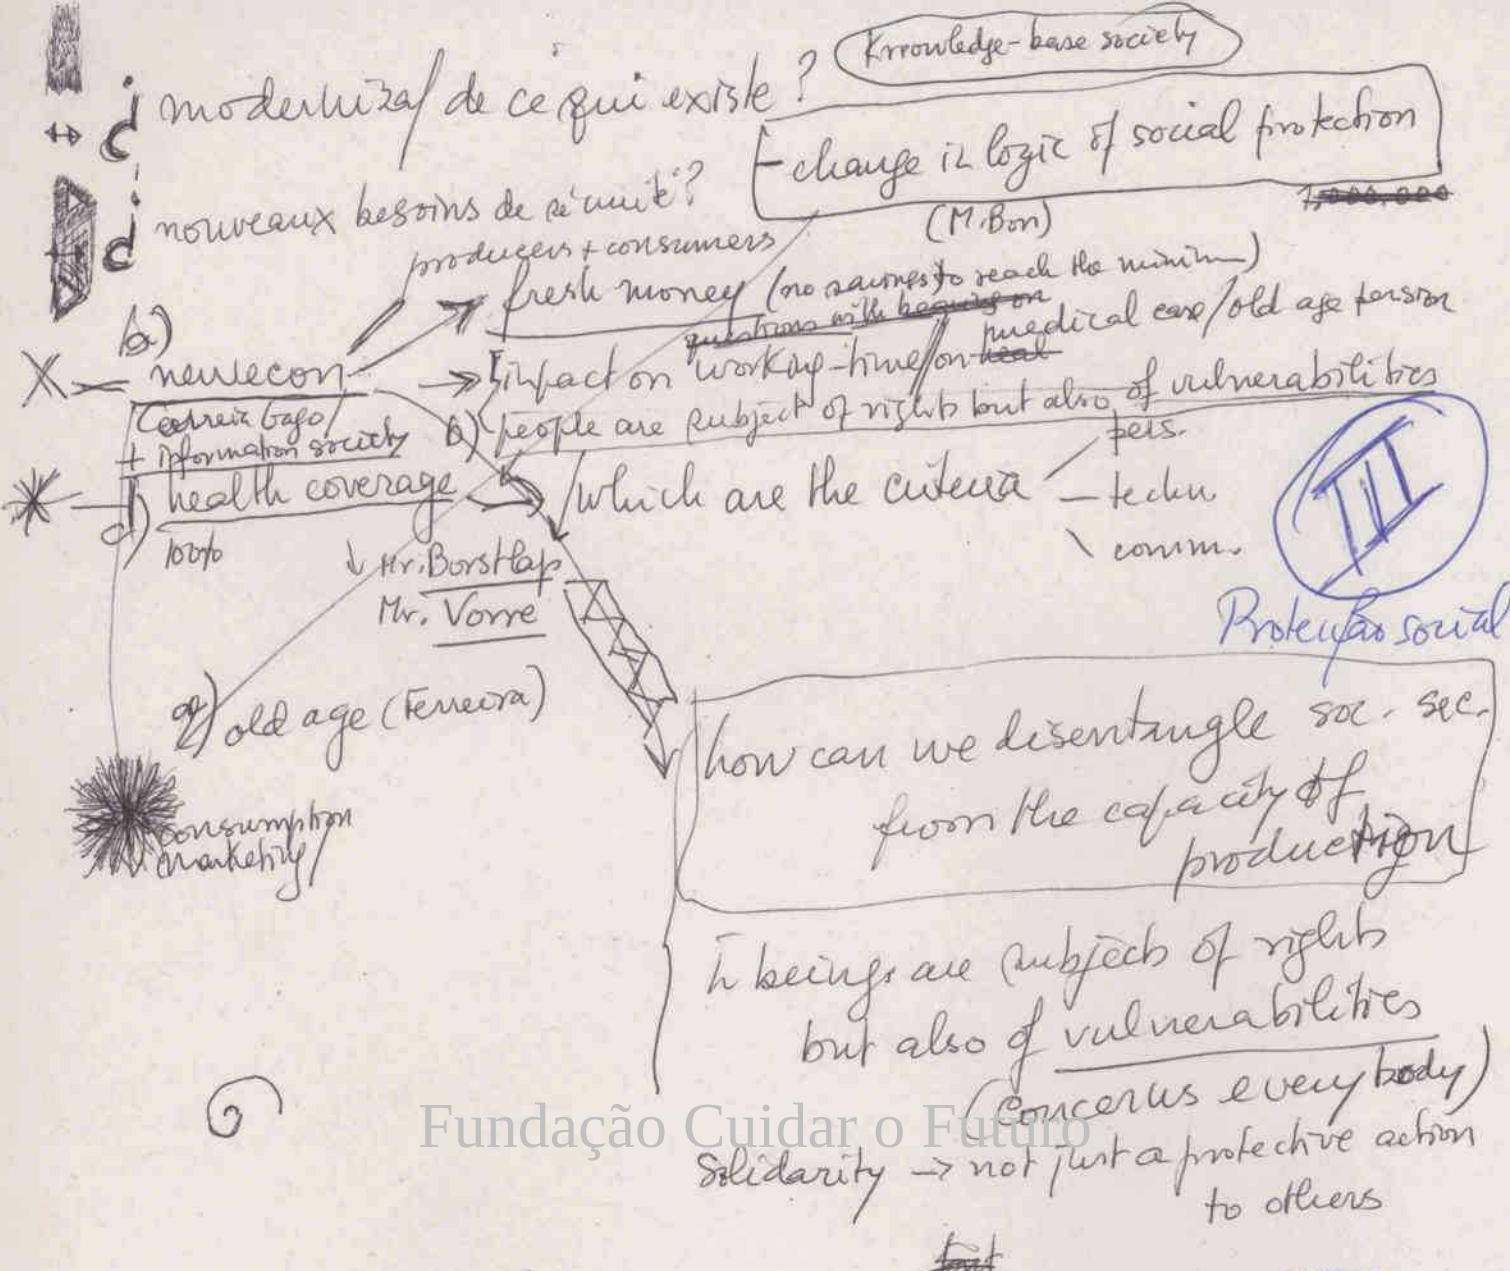

ICT trap $\equiv$

obligation of life-long learning

Pdt À la discussion, ^{de la prés. fort.}
je regardais les priorités que vous avez énumérées
ce matin.
et en nous demandant de nous prononcer
~~Plus on avance dans nos travaux~~
~~plus la société~~ Mon intuition n'est pas seulement
le désir d'aider la présidente
mais la conviction que l'Europe n'avance q

Fundação Cuidar o Futuro

1. Proteção social como 1 dos eixos de identidade europeia
2. Modernizar prot. soc. e do q melhorar o sistema
temos q tocar no seu enquadramento
relação entre políticas de emprego e de proteção social
elevar as horas emprego / life-long learning
3. O q pode a UE fazer como alavanca?
podemos ter a pretensão de ter 1 agenda com. de prot. soc.
política da seg. social ganhar prioridade pol.
quadro inst. mínimo q reporte esta démarche
existência de metodologia p a prot. social
capacidade de identificar prioridades
exclusão / "fendas" q a seg. soc. não pode sanar
sustentabilidade dos sistemas p a velhice

pas personne ne pense à un remplace des Const. nationales

• Charter:

IV

— ~~rights~~ fundamental rights, including ^{social} rights
because political + social rights are already there

1)

— rights derived from new conditions, namely
knowledge-based society
new technologies

2)

— anchored in the Treaties

(as part of ~~the~~ the agenda of Dinterfort Conf)
dans l'ordre du jour du Sommet de Paris
— to include in the documents for the March Summit

3)

a) at least, referring to the importance of
the new trends in
which shape European identity

b) to be included in IGC agenda now
so that it will be anchored in the Treaties

c) to take stock clearly of the social culture
the new countries will ~~enter~~ integrate

identité d'une
nouvelle entité
politique
