The document also contains the list of personalities who have received an invitation, some of whom will be later contacted by the moderators and key-note speakers to act as first speakers in a particular session.

In order for us to prepare a "Who is who" at the seminar, we would also appreciate if you could send us your resume with the following items :

- name and address (postal, e-mail, fax, telephone number)
- present position and titles
- professional experience record
