Dear Dr. Pintasilgo:

It occurred to us that our letter of May 9 has not reached you for one reason or another, and so we are sending you a copy of the original letter along with its enclosures.

As requested in our letter of May 9, it would be very much appreciated if you will help us facilitate the preparation by sending us the filled-out personal history form. We do have information gathered from various sources but we would like you to fill out the blank form and send it back to us so as to avoid any inadvertent mistakes. (A blank form was sent to you with our April 14 letter but we are enclosing another one just in case...)

We are aware you are busy with many commitments. However, we earnestly hope that you will favor us with your prompt cooperation. if you in fact have already done so, we would like to take this opportunity to thank you in advance.

Sincerely yours,

T. Okuda
