Dear Sirs,

Thanking you very much for your various communications, I am writing to you on two specific questions.

In what concerns my paper, I want to inform you that it will be ready by the end of this month and will, thus, reach you hopefully during the first week of August. My other commitments prevented me from finishing it earlier, as I needed to consult some bibliography only available in Paris. I am sure that, with all your technical means, this delay won't create too much difficulty for you.

The other question concerns my program during the coming Fall. My commitments lead me to the United States during the months September and October. This means that during that period my basis will be New York and not Lisbon. I was afraid of not being able to be at our meeting but, after some discussion, it is possible to be free for the convenient dates in September. As soon as you started to deal with the tickets, I would be grateful if you would contact my travel agent in Lisbon:

Mr. Lima
Agência Europeia de Viagens
Av. da Liberdade
Lisboa

Thanking you in advance for your work and kindness,
yours sincerely,
