Dear Mr. Hara,

In answer to the letter from Dr. Teiichiro Morinaga concerning the Tokyo Colloquium, I want to tell you that I am very interested in the Colloquium and that I have as of this moment the best of intentions to participate in it. As I am going to Japan next week to attend a meeting under the auspices of Former Prime-Minister Takeo Fukuda, we might be able to talk about more details, once the meeting is over, on the 10th April. The best way to contact me will be until that day through the office of His Exc. Mr. Fukuda or, after the 10th, at the UN University, through the office of Vice-Rector Dr. Mushakoji.

Yours sincerely,

Maria de Lurdes Pintasilgo
