Dear Mrs. de Lourdes Pintasilgo,

please forgive me writing again after our Peace Forum in Driebergen regarding your contribution. The reason is that we have now collected all the contributions and papers for documentation and are going to have all that printed. The pity is that we only can find the last part of your contribution on the record so that we are not able to reconstruct it. Your speech was recorded but the tape is so bad that it is not possible to have it typed.

On the other hand we are very interested in having your whole speech as part of the documentation. So I would like to ask you whether there exists a manuscript or another article including your main points you could send us. If possible in English.

Thank you again for taking part in our Peace Forum and for your wellaccepted speech.

Yours sincerely,

(Dr. Fritz Erich Anhelm)
