Dear Mrs. Maria de Lurdes Pintasilgo,

When the Committee of our Association met at the beginning of September Mr. José Leite told us that you have agreed in taking part in our Peace Forum from September 3 - 6, 1987, in Driebergen, Netherlands, and to deliver a speech on Saturday, September 5. So I want to express our thanks for your agreement and your trust in our Association.

As I think José Leite already told you, this speech should deal with the problem of justice in relation of North and South Europe and the connections of this problem to the East-West conflict and the discussion about security partnership.

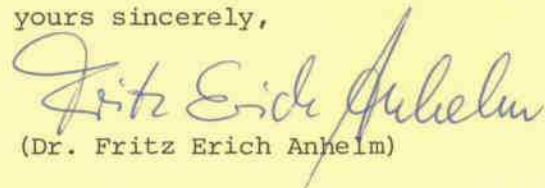

/ For information I am sending you a first outline of the programme as it was prepared by our Executive Committee. The names of the speakers are up to now for only internal purposes, but we hope that in some months we will be able, after their agreement, to publish this programme.

All the speakers are already invited and we hope they will agree within the next few weeks.

/ To prepare the working groups we will have some regional peace fora in fall this year and spring next year to sharpen and point out the issues. I think you already received our announcement and invitation for cooperation. If not you will find it enclosed. Mr. Leite and myself will keep you informed about our further steps.

Looking forward to meet you in the Netherlands next year,

yours sincerely,

(Dr. Fritz Erich Anhelm)
