Dear Prime Minister,

I have the honour to thank you for receiving me during my visit to Lisbon last week. I particularly enjoyed our conversation and am grateful to you for being able to spend so much time with me. The visit, as with all official visits, was too short but I think that I have acquired a better understanding of Portuguese economic problems. It was particularly useful to have the opportunity to discuss these with yourself and your colleagues. I was particularly encouraged by the many expressions of interest in the OECD and the clear determination to increase Portugal's participation in our activities.

I have the honour to be, Madam,

Your obedient servant,

E. van Lennep

Her Excellency  
Madam Maria de Lurdes Pintasilgo,  
Prime Minister of the Republic of Portugal,  
Lisbon.
