

Draft outline for the issue on "Woman", I Quarter 1962

1. Our Lady in the spirituality of the Grail

- . The Plan of Redemption and the role of Our Lady in it;
- . The Mystery of the Cross and Our Lady;
- . Our Lady as the "Queen most Womanly";
- . Meaning and expressions of the devotion to Our Lady in the Grail.

Suggested authors: Prof. Groot
Mgr. Willebrand

2. The Grail, a movement of women - the vision of Fr. van Ginneken

- . The "image" of the woman through ages and civilisations;
- . The nature of woman and her relationship with the world;
- . The Grail as the Movement which releases the potential spiritual energy of women and puts it at work for the conversion of the world;
- . The meeting of women from all walks of life in the Grail and the significance of such a meeting.

Rachel

3. "Woman" as a burning question of our time - some facts

- . The growing interest for the role of women in society and its meaning for the fashioning of a new world;
- . The definition of the role of women as a convergence of many different factors which have to be scientifically studied and related;
- . The most enlightning features of a sociological survey;
- . The main trends in the theoretical discussions.

Maria de Lourdes

4. Woman in litterature (some reflexions on the book "La femme dans la littérature existentielle")

- . Women in the next generation as defined by current litterature;
- . The relation between existentialist litterature and the youth of our time;
- . The main features of women's behavior as described in this book and their meaning for the whole society;
- . Relevant points to be taken into account in the apostolic approach of the Grail.

Eleanor

5. Women and the professions

- . The professional women in the Grail and their specific contribution to the Movement;
- . One approach to the question: the "service careers";
- . Another approach: the restoration of the relationship of love in all kinds of working communities;
- . Programs and experiences of the development of the two approaches in the Grail.

Alberta

6. GRAILVILLE, an experiment in woman's education

- . Grailville as the working out of the Grail's concept of woman; Grailville and the lay apostolate in America;
- . Trends in the development of Grailville;
- . Meaning of Grailville in the whole Movement.

Dolores

7. "Promotion of women" in Africa

- . The work for the "promotion of women" in the developing countries as a service rendered to the Church there and as a necessary basis for the growth of the Grail;
- . The main lines of such work (activities, general policy);
- . Trends felt in such work and how they influence the whole Grail.
