Dear Miss Pintasilgo,

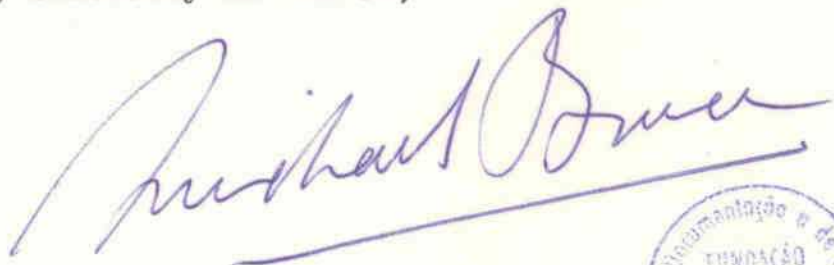

Thank you very much for your letter.

I have been as disturbed as you are by our failure to get the book published.

I am most interested in your suggestion of completing it by making use of some articles that are already published. You have, I think, got a copy of the original proposed contents of the book but I send you another in case you have not got it at hand. Have you, I wonder, any suggestions as to existing articles which could conceivably take the place of the two essays by Professor Groot and Professor Florovsky? If you have any useful suggestions I would be most grateful.

With my best wishes for a blessed Holy Week and a Happy Easter,

Yours very sincerely in Christ,

Miss Maria de Lourdes Pintasilgo,
