FRANCE.

Dear Miss Pintasilgo,

Whenever I think of the book I am tempted to give vent to a most unpriestly scream! I have been held up by not having two key essays, one from Prof. Florovsky on "The Dignity of the Blessed Virgin and the Place of Women in the Church" and the other from Prof. Dr. G. J. Groot on "The Priesthood and the Bride of Christ." If you should happen to know the latter, I would be most grateful if you could add your persuasion to my own. I am sure that the book is desperately needed and has been needed for many months.

In the meantime, however, I am sure that you should go ahead and publish your essay in French. I have so far not made any plans for publishing the whole book in French since the struggle to collect it together has proved so difficult.

With my best wishes.

Yours very sincerely,

Michael Bruce
