Dear Miss Pintasilgo,

Thank you very much for your letter. Alas, you are not the greatest of sinners! There are still two and a half ~~million~~ others worse than you! I had had a first draft from Professor Hardy about the early history of the question in the first centuries, but so far nothing from either Professor Georges Florovsky or Professor Groot. If you should be in a position to twist either of their tails, I should be most grateful! I agree with you that it is very important to get the book, as early as possible, but these two papers are badly needed for the balance of the book.

he is the 1/2!

With my best wishes.

Yours very sincerely,

Michael Bruce
