

# I. Repères phyl. + sociologiques

## 1. Une ~~siècle~~ décennie ou un siècle ?

- 1.1. Aperçu des grands changements concernant le statut des f. d la vie politique/sociale/cult/
- le statut juridique vs.
  - l'entrée massive à la vie écon. vs.
  - les lois de protection sociale vs.
  - d'objet à sujet (la création culturelle)

1.2. Des seuils franchis /des stades ~~atteints~~ non atteints

### 1.3. La mouvance du siècle

## 2. The end of the com La fin du siècle et les consolidations des mouvements et réévaluation des nouveaux enjeux

### 2.1. Les enjeux nets :

- Fundação Cuidar o Futuro
- le système écon. mondial
  - le spectre de la guerre . wars
  - la bombe écologique
  - la survie de l'humanité

### 2.2. Les enjeux à peine perçus :

- consommation de gadgets électroniques ou société de l'immatériel ?
- accroissement du sous-développement ou solidarité universelle ?

### 2.3. Les mouvements de f. ~~comme de~~ <sup>en tant</sup> que nouveaux acteurs répondent à ces enjeux

- we are not aware of being discriminated
- I**
- 1) a ≠ power  
to change its very nature  
equal to whom? what is the norm? + what for?
  - 2) People + their needs before budget + power  
Hence, marginalization/political life.  
is a threat to established powers.
  - 3) link to reality → pragmatism → utopia?  
 every w/o power but is to question the paradigm of power  
 situations of crisis → when everything is moving → absence  
 of stereotypes → agency of self → "be ready for the war"
- II**
- 1) together: social basis  
 cultural mass / w/o power very hear to what  
 they are as women → at the moment w/o are in new

## MULHER

Fundação Cuidar o Futuro

"The basic premise of the political discourse seems  
 to be the primitive concept of power as brutal force  
 with the goal of domination + control"

Opportunity for w/o to reverse the paradigm - major challenge

- III**
- Policies of government can only make sense  
 if all activities are seen in political perspective.  
 to change activities run by w/o - teaching/nursing/social welfare/ environment
- IV**
- Multifunctional role: a life of multiple expressions,  
 of pluralism, conviviality, tolerance
- V** SURVIVAL of mankind

**3.00 pm**

Fundação Cuidar o Futuro

today & need you now / to / receive instructions

but it was in Brazil and we - members of our part

## Fundação Cuidar o Futuro

and I think is now of a type no other will be a  
"driving & educational program all around"

agent - probably not known at the moment

will start plus two years / starting

, probably / test / 2003 / 2004 / 2005 / 2006 / 2007 /

between them / future / project - to promote education abroad &  
international cooperation

activities, with emphasis, mainly to

development for JAPAN
