① what we discuss is about democracy

- how do we empower & to participate

∴ ♀'s educat the sole absolute point of the integrated elements

- much more

(- good document)

- to give emphasis to social + econ. dev,

so that people can take care of their futures

"extraordinary role of NGO community"

One striking element has been the deep + moving tone which featured many interventions.

"high quality growth policy"

↓ good social programs

↓ good governance

needed partnership  
global

Fundação Cuidar o Futuro

- adjust policies

- open to trade

← increase ODA

no contradiction / social

Simi

- You have been the person who, with greatest auth.  
have addressed yourself to the fact that current patterns  
of production + consumption are unsustainable in the long run,  
and yet it is this same pattern that ~~is~~ all countries  
are pursuing, consciously or not.
- 2) There are no economists to provide us with new models.  
~~What~~

We need some kind of urgent exercise to put us in another  
direction regarding our patterns of prod. + cons. Do you think  
it would be feasible?

Educa ♀'s contribution to the world agenda

~~1a)~~ rights of ♀; last step of self-determination

b) ~~conditions for social policies (Evidences)~~

~~11.5.1~~ c) steps made by ♀ UN Conferences

~~1b)~~ rights of ♀ → empowerment

psychological + political question

1c) ♀s contribution to world agenda

Conditions for social policies  
new type of governance

political dictatorship  
poverty  
classism

reprod. rights + roles

= complexity

- processes, life-cycle

- gender: biological + social

- empowerment, to strengthen the forces  
on belief-systems  
+ value patterns

- unmet needs: broader than technical means

\* (♀ are viewed through knowledge by ♂)

- life-cycle of ♀

- ~~met~~ Fundação Cidadão Futuro

using ♀ as norms for ♀ models

↓ to avoid gender-bias

♀ + ♂ to have control over their reproductive lives

U  
crisis in pop. → politicians to control ♀'s fertility  
as bio-medical units

complex: not an isolated unit

- ♀'s sexuality: matters of life + death, passion + cool calculation,

↓ intimacy + public policy  
not only bodies but also social

- ~~g~~ having children is also a psychol. } question  
power

♀ impoverished

♀ impregnated

♀ disempowered
