

Creator and life-giver of the whole universe

1. creation goes on

- nature
- transformation of nature
- world as organization of human beings
- their struggle
- " hopes
- the work of their hands

2. life of the universe is at stake

- our "intendence" of the universe
- so that life goes on
- so that new life is possible

beyond us, and yet within us,
our horizon, and beyond our
horizon,

1. God is ^{the} omega point of life
- beyond us,
always to be reached
 - ~~our horizon~~ beyond our horizon,
unknown ultimate reality
~~the~~ name is "I am"

2. God is the α point of life

- within us,
having created us, He
breaths in us
in Him we dwell
as a child in the arms of
its mother,
- our horizon,
the One by whom
we desire ("I wish with a
great desire")
by whom we dream,
" " future is possible

who calls each one by name

- 1. - a name not in our identity card, not in our passport
 - ~~but~~ a name called in a maternal language (firsts say the language nobody can understand)
 - a name whispered in moments of hesitation
 - a name shout out loud in moments of choice

2. God calls

- ~~as~~ as he called his followers
- as he kept calling so many people over the ages
- do we listen to his call? looking back in our history reading what is written here...

(and) is with us always, and in all ways.

1. - present at all times

joy
sorrow
effort
commitment

2 - present in the most $\neq$ forms,
symbols,
signs

As a faith community of women

1. we are bound together by the fact of being women and wanting to be aware of it in our togetherness,
2. we are together linked by our faith

- we have learnt - Fernando ^{21.911.9000}
~~Henrique~~ ^{SMAS-219119037}
that we are nourished & challenged
by 7 wellsprings

1. diversity

- not only at the surface
(anthropology, linguistics, culture)

- but

there where tradition/culture/
identity is formed
