

"to be a writer, an artist of some sort"	42(C)
"to work with children in an institutional setting"	44(C)
"to become an interpreter"	50(C)
"to sing in a professional choir"	59(B)
"be involved with creative work -particularly poetry - either publishing or editing"	61(B)
-work for the UN	62(B)

- Some connect their work with its social finalities; in a explicit way:

"fonder <u>un institut ou une école</u> "	(21)J
"to play musical. <u>Many people will enjoy our play</u> so find that <u>gentle mind is valuable</u> "	(23)J
"I'm very glad if I will be able to <u>contribute even a little to the human culture</u> "	(37)J
"not necessarily in my subject area but in <u>a field where women are not constantly at a</u> <u>disadvantage</u> "	(3)J
" <u>helpful to society (...)</u> work"	(40)C
" <u>to work with children in a institutional setting</u> "	(44)C
"creating and engaging in <u>alternative medium</u> <u>of communication</u> "	(45)C
"to become a <u>neurologist</u> "	(66)C
"to be a <u>good teacher (...)</u> because good teaching <u>can change mentalities</u> "	(73)C
" <u>femme d'affaires - changer l'image que la</u> <u>société donne aux femmes</u> "	(69)C
"I like the way more or less <u>get in touch</u> with other <u>people and society in general</u> having this job (researcher)"	(51)E
" <u>to sing in professional choir</u> "	(59)E
"be involved with <u>creative work</u> "	

-particularly poetry - either <u>publishing or editing</u> "	61(E)
"preferably a <u>socially useful</u> career"	63(E)
"tout ce qui peut m'aider à mieux <u>comprendre et connaître ce qui m'entoure,</u> <u>le milieu</u> " - devenir <u>médecin</u> et continuer à <u>étudier d'autres choses, eg. théologie</u> "	53(E)
"once I want to have my own consultant's office, working independent"	(75)E
"a good therapist, a occupation <u>with people who have problems</u> "	100(E)
"to make a <u>life-time contribution</u> in the <u>field of computers and education</u> "	6(J)
"eventually <u>live with some children and</u> <u>provide for them</u> "	40(C)

- A few go deeper than the change in society:

Fundação Cuidar o Futuro

"to continue studying without losing the <u>essential question what it means to be human</u> "	38(J)
" <u>understand peoples of other countries</u> "	27(J)
"write and communicate and be heard"	45(C)
"non seulement la médecine mais aussi d'autres choses dont <u>la théologie</u> "	53(E)

- Some define what they want to do as if it were purposeless:

" <u>rush about all over the world</u> "	34(J)
"really like to travel everywhere"	41(J)

- In some cases the social side of the career is not primarily geared to a change in society but to a strong quality of inter-personal relationship:

"I like having contact with other people.

Having good relationships is the most important thing in life".

77 (E)

"have time for intimate friends"

109 (E)

- Some qualify their drive to a career as coming from a inner force:

"je voudrais faire quelque chose que je peux faire avec passion"

(22)J

"to have my own job to which I can dedicate myself and in which I can take pride"

(27)J

"être heureuse dans une profession qui me permet d'évoluer"

(70)C

"to develop my creativity"

(42)C

"(a career) possibly demanding in time and effort"

(63)E

"étudier et chercher toujours les "pourquoi""

(53)E

"in which I can learn
in which I have pleasure to work,
in which I find enough challenges"

(75)E

"(nice job) for using my capacities"

(77)E

"I find many things in life attractive.
(...) The main problem is finding time
for all things I want"

77 (E)

"not to be tied down"
